

Attention All Motorcycle and Scooter Riders Monday is Ride To Work Day

Celebrate Ride to Work Day with Breakfast and Broadcast
at the Motorcycle Industry Council

Monday, June 15 – 7 to 9 a.m.

Attention all riders. We invite you to join us Monday morning at the Motorcycle Industry Council to celebrate the 18th Annual Ride to Work Day. We will be hosting a little hot breakfast, coffee and OJ for motorcyclists and scooter riders who ride in that morning.

Be part of the celebration. We are slated to have two top-rated news teams on hand – the KTLA Morning News (Gayle Anderson reporting) and ABC7 doing live shots from 7 to 9 a.m.

Our goal is to highlight the benefits of riding to work, saving some green, being environmentally savvy, having fun and helping to reduce traffic. We'll also be promoting key safety messages, both for motorcyclists and motorists. Please stop by on Monday morning. Share your two-wheel passion and share some pancakes, too. (We'll supply those.)
